

LANCASTER SAFETY

Taking safety beyond the standard

YOUR WORKPLACE SAFETY PARTNER

TRUSTED NATIONWIDE:

We saw a 42% reduction in injuries and 72% fewer lost work days after partnering with Lancaster Safety.

-Jeff C., Safety Manager

Our OSHA inspection was closed with no citations issued. We credit Lancaster Safety.

-Ray W., President

Lancaster helped us build not just a safety program, but a true culture of safety.

-Mike E., Safety Coordinator

TRAINING

Train your way with English and Spanish courses available onsite, remotely, or self-paced through our Online OSHA Training Center.

WRITTEN PROGRAMS

We build customized written safety and health programs that are tailored to your operations and will help you be OSHA-ready.

SAFETY INSPECTIONS

The key to accident prevention is finding hazards before they cause problems, and that's what our safety inspections do.

OSHA CONSULTING

From quick questions to full OSHA inspection support, we build long-term partnerships to keep your team safe.

SAFETY PLATFORM

Our all-in-one online platform gives you the tools and resources to organize and manage your safety program efficiently.

CONTACT US AT 888-403-6026 FOR A FREE SAFETY ASSESSMENT CALL!

FLEXIBLE TRAINING

Three convenient training options to fit your team's schedules.

100% SAFETY NET GUARANTEE

Money-back guarantee within an initial period (14 or 30 days).

OSHA'S HIGHEST CREDENTIALS

Certified as an OSHA VPP Star Mobile Workforce since 2010.

SPECIALTY TRAINING COURSE CATALOG

ABOUT SPECIALTY TRAINING COURSES

Specialty safety and health courses consist of a more thorough training than General Awareness. Please note that the course durations listed are approximate and may vary based on specific hazards and the employees' exposure.

- ✓ English and Spanish courses available.
- ✓ Courses are held in-person with a qualified instructor.
- ✓ Participants will receive a training card after successful completion.

NOT SURE WHAT TRAINING YOU NEED?
